

# LEARNING FOR LIFE.

## ABOUT

INNES Institute is an established and friendly education center, specialised in providing German language courses and short academic programs for ambitious international students, academics and professionals. Our high pedagogical standards together with friendly, quick and personalized support make us the first address in Vienna for international educational excellence.

Centrally located in the heart of Vienna, our education center connects highly qualified, experienced and passionate teachers with ambitious and motivated learners in an open and diverse environment. Our mission is to empower our students to develop the knowledge and skills they need for sustainable problem-solving and pursuing their academic or professional career.

INNES stands for effective and innovative learning and quick progress. It is our passion for people and diversity that makes students and partners from around the globe choose us.

## OUR PORTFOLIO

### GERMAN LANGUAGE COURSES

High-quality German language courses at all levels. Intensive and Semester Courses. Dynamic classes with modern teaching methods. Extra grammar booster courses to develop student independence.

### ÖSD PREP COURSES AND EXAMS

We support students to develop the skills needed for passing the ÖSD examination. INNES also functions as a friendly and competent ÖSD examination center.

### UNIVERSITY PREPARATION COURSE

All-inclusive language preparation for international students planning to enter an Austrian university: German courses, personal tutoring, guidance with ÖSD exam, visa and accommodation.

### ACADEMIC ENGLISH TOOLKIT

In our Toolkit courses and seminars we equip students, researchers and lecturers with the fundamental tools and strategies required to structure, formulate and publish meaningful academic writing.

### INTERNATIONAL SUMMER AND WINTER SCHOOLS

Cutting-edge portfolio of innovative international schools. Students earn credits while discovering multicultural Vienna. Interdisciplinary cooperation. Excellent lecturers. Optional social program.

### CUSTOMIZED ACADEMIC PROGRAM

We develop and organise short-term academic programs for partners worldwide. Save time, energy and resources and provide students with an unforgettable academic and personal experience in Vienna.
